

DEPUTIES' MEETING

DM-453
12 December 1955

THOSE PRESENT: Mr. Dulles, General Cabell, Messrs. Wisner, [redacted]
[redacted] Kirkpatrick, [redacted] Col. White,
Messrs. Sheldon, Amory, [redacted]

25X1
25X1
25X1

Mr. Dulles:

a. Requested Mr. Amory to get a copy of the ORR publication on Soviet Aid to the Satellites to Mr. Bowie of State Department.

b. Asked Mr. Wisner to talk to [redacted] about publicizing the close of the [redacted]

25X1

c. Asked Mr. Amory to check on a newspaper release on a Soviet guided missile base on the [redacted] coast. Asked Mr. Amory to discuss this at Watch Committee, with a possibility of alerting the NSC to this possible blackmail weapon against [redacted]

25X1

d. Asked Mr. Amory to see what we had on who is responsible in the Soviet hierarchy for thinking out their foreign policy.

e. Discussed the need for a top educator at the [redacted]
[redacted] Asked Mr. [redacted] to look into this.

25X1

25X1

f. Asked Mr. [redacted] to arrange for him to arrange a luncheon for Miss Knight before Christmas.

g. Reported that [redacted] had offered to be of any assistance that he could, and said this was worth looking into.

h. Discussed cable (IN 39585) and stated that there appeared to be too many cables of this nature going out without being signed by Messrs. Wisner, [redacted]

General Cabell:

Announced that [redacted] would be assigned as Deputy to [redacted] on the [redacted] the effective date of this assignment will be sometime after the General Assembly terminates its present session.

25X1

Mr. Wisner:

a. Reported that Phil Graham of the Washington Post was back in town if the Director of Colonel White desired to get in touch with him.

b. Reported that [redacted] who had done some good writing on Latin America, is now going to the Middle East. Recommended that someone from the Agency see him and possibly he be given a briefing by [redacted]

25X1

c. Reported he understood the Clark Report on military intelligence was full of critical comments of CIA and suggested that the Director might want to see this. The Director said he would discuss this at the White House level.

Mr. Amory:

a. Reported that he had asked State to withdraw their request for a crash estimate on [redacted]. It was agreed that the Board of National Estimates would look over the October Estimate and that the IAC would also take a look at the BNE comments.

b. Said that [redacted], after his recent trip, reported [redacted] as doing an excellent job in [redacted]

25X1

Mr. [redacted]

Said the [redacted] as well as others, was creating a terrific backlog, far beyond our expectations. Stated that [redacted] more slots are needed in the shop doing the work. General Cabell stated that we have no choice but to meet these requirements. The Director stated that the Bureau of the Budget should be advised.

25X1
